The background image shows a modern interior design studio. In the foreground, there are several large, light-colored rectangular panels leaning against a dark, metallic coffee table. Behind them, there are more furniture pieces, including a dark metal mesh chair and a dark metal cabinet. To the right, there are three tall, thin green plants in burlap pots. The overall aesthetic is clean, minimalist, and industrial.

DISCLAIMER

The management of NIRO CERAMIC GROUP reserves the right to phase-out, either totally or partially, any of the collections, colours, sizes and references contained in this catalogue.

IMPORTANT INFORMATION

Tiles decorated with lustre effects, mother-of-pearl, and gold colour, should be treated carefully during the cleaning process. The use of pure or diluted acids, detergents or other corrosive products may significantly alter the tile appearance.

We recommend cleaning these decorated tiles with a soft sponge and water only.

In failing to comply with the recommendation, the manufacturer will not be responsible for any defect.

Colour variations: since the colour reproduction in this printed catalogue will vary from the actual tile colour, your final selection should be made from tile samples.

Colour, shade and glaze variations may exist due to the inherent characteristics of ceramic tiles.
