Catálogo General 2016 / 2017

Calidad & respeto

Utilizando para nuestra fabricación un proceso de bicocción aseguramos, además de un respeto medioambiental del entorno, una alta calidad del producto. Esto unido al proceso de testado que realiza el Instituto de Tecnología Cerámica (ITC), sitúa al producto de FABRESA con capacidad para competir con los mejores productos cerámicos de todo el mundo. Todo ello nos permite ofrecer nuestro sello de garantía de servicio avalado por la opinión de nuestros clientes.

Quality & respect

The double firing process used while manufacturing give us a friendlier environmental approach and a high quality product. Moreover the quality testing performed by the Instituto de Tecnología Cerámica (ITC) enables Fabresa to compete with the best worldwide ceramic products. This allows us to offer an ensurance of services confirmed by our customers

Qualité & respect

En utilisant le processus de double cuisson lors de notre fabrication, nous garantissons, en plus du respect environnemental, l'élaboration d'un produit de haute qualité. De plus, les contrôles qualité réalisés par l'Instituto de Tecnología Cerámica (ITC) donnent aux produits Fabresa les capacités nécessaires pour concurrencer les meilleurs produits céramiques du monde. Tout cela nous permet d'offrir une garantie de service reconnue par l'ensemble de nos clients
